Two men are in love with the same girl. One is a mechanic, the other is a doctor. They both won't see her for a week. The mechanic gives her seven apples. Why?

DIY: Melted Crayon Art

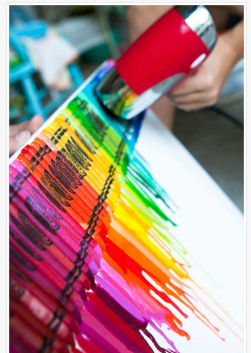

Supplies

1 Canvas
Crayons
Hot glue gun
Something to melt the crayons
example: hairdryer

Instructions

1. Arrange crayons at the top of the canvas, in any order which pleases you, with the tips facing down. Secure them by hot gluing them to the canvas.
2. Use the hairdryer, or whatever you have, to melt the crayons.

You can even draw something below it or place the crayons in a heart or circle or anything creative!.
